ATTORNEY GENERAL

Opinion No. 89-32

Crimes and Punishments—Kansas Criminal Code; Crimes Against Persons—Criminal Abortion; Statute Unconstitutional. Senator Don Sallee, 1st District, Troy, March 21, 1989.

While the state may require abortions to be performed in licensed facilities from and after the first trimester, K.S.A. 21-3407 sweeps too broadly and the offending provisions cannot be severed from the rest without legislative amendment. We note that the United States Supreme Court is currently considering a case which may modify Roe v. Wade, and thus render this opinion invalid. Cited herein: K.S.A. 21-3407. JLM

Opinion No. 89-33

Waters and Watercourses—Water Storage—State Water Plan Storage Act; Conservation Storage Water Supply Fund. Senator Paul Feleciano, Jr., 28th District, Wichita, March 21, 1989.

Kansas statutes authorize expenditures from the state conservation storage water supply fund to be made only for the purpose of acquiring or developing conservation storage water supply to implement the state water plan. Appropriations from the fund for land treatment and flood control in this instance do not meet the purpose of the statute. Opinion No. 89-34

Intoxicating Liquors and Beverages—Miscellaneous Provisions—Discrimination in Sales, Services or Prices Unlawful. Senator Wint Winter, Jr., 2nd District, Lawrence, March 21, 1989.

The quantity discount prohibition of K.A.R. 14-14-11 constitutes a regulation imposed on the alcoholic beverage industry by the state itself and is therefore not subject to federal antitrust laws. Cities and Municipalities—Modified Mayor-Council Form of Government—Adoption of Modified Mayor-Council Form of Government; Submission to Election. Representative Clyde D. Graeber, 41st District, Leavenworth, March 22, 1989.

K.S.A. 12-10a01 provides that any city may adopt the modified mayor-council form of government pursuant to the procedure prescribed therein. The provisions of K.S.A. 12-1019, relating to acceptance of the commission form of government or the mayor-council form of government (and prescribing the form of the ballot for any election held thereunder), do not apply where the question of adopting the modified mayor-council form of government is submitted to voters pursuant to the provisions of K.S.A. 12-10a01. STATE BOARD OF AGRICULTURE DIVISION OF WATER RESOURCES

REQUEST FOR ENGINEERING SERVICES

In accordance with K.S.A. 75-5801 et seq., it is the policy of the Division of Water Resources, Kansas State Board of Agriculture, to negotiate contracts for engineering services on the basis of demonstrated competence and qualifications for the type of professional services required at fair and reasonable fees. Selection criteria will consist of the following:

- 1. Size and professional qualifications of the firm.
- 2. Experience and training of the firm's staff in the measurements of rate and quality of water pumped or removed from wells, lakes and streams, collection of data in conjunction with the use of water for irrigation, industrial, or municipal purposes with principal emphasis on irrigation use. Experience and training in hydrology and hydraulics, water flow measurements (primarily in closed conduits), and knowledge of energy and consumption metering will be a consideration.
- 3. Workload of the firm.
- 4. The firm's performance record.
- 5. Compliance with Kansas statutes. All firms must comply with the requirements set forth in K.S.A. 74-7001 et seq.

Engineering firms engaged in lawful practice of providing engineering services and interested in providing services for collecting water use data, to determine the extent that a water right is perfected (developed), are encouraged to submit by April 28 a statement of qualification and experience to: Division of Water Resources, Kansas State Board of Agriculture, 109 S.W. 9th, Topeka 66612-1283.

KANSAS PUBLIC DISCLOSURE COMMISSION

Advisory Opinion No. 89-5

Written March 15, 1989, to Robert G. Knight, Wichita.

This opinion is in response to your letter of February 8, 1989, in which you request an opinion from the Kansas Public Disclosure Commission concerning the local conflict of interest laws.

We understand you request this opinion in your capacity as a city council member of the city of Wichita.

You advise us you recently took a new position with a public relations firm. You are an independent contractor and handle only certain accounts for the firm. All the clients are clients of the firm and pay their fees for services to the firm. You are paid by the firm a percentage of the fees paid by those clients.

You have disclosed your substantial interest in the public relations firm. You ask if you have to disclose the individual clients of the firm for which you do work as

well

K.S.A. 75-4301 defines "Substantial interest" as follows: "The ownership by an individual or his or her spouse," either individually or collectively of a legal or equitable interest exceeding five thousand dollars (\$5,000) or five percent (5%) of any business, whichever is less, and also including the receipt by an individual or his or her spouse directly or indirectly of any salary, gratuity, other compensation or remuneration or a contract for or promise or expectation of any such salary, gratuity, other compensation or remuneration having a dollar value of one thousand dollars (\$1,000) or more in the current or immediately preceding or succeeding calendar year from any business or combination or businesses, and also including the holding of the position of officer or director of any business, irrespective of the amount of compensation or remuneration received by the person holding any such position. If a person's salary, compensation or other remuneration is a portion or percentage of a fee paid to a business or combination of businesses, a person shall have a substantial interest in any client who pays a fee to such business or combination of businesses from which fee such person receives one thousand dollars (\$1,000) or more in the current or immediately preceding calendar year.

Applying this language to your situation, we can only conclude that you do hold a "substantial interest" in any client from which your portion of the fee is \$1,000 or more. Thus, under K.S.A. 75-4302(c), you will need to file an amended report within 10 days of the receipt of a portion of a fee which meets the above test.

PUBLIC NOTICE

The Kansas Department of Health and Environment, Bureau of Air Quality and Radiation Control (BAQRC), is proposing to issue an air quality permit to the city of Lakin for the installation and operation of four dual-fueled reciprocating engine driven electric generators at Osborn Park in Lakin. The permit would be issued in accordance with the provisions of Kansas Administrative Regulation 28-19-14 (permits required).

Air pollutant dispersion modeling studies of the air pollutant emissions estimated to be emitted from the facility have been conducted. These studies have shown that no national ambient air quality standard (NAAQS) is predicted to be adversely impacted by this facility operating continuously and at the stated generator operating conditions.

The complete administrative record for this proposed permit is available for public inspection through April 28 by contacting Wayne Neese at the KDHE offices, 302 W. McArtor Road, Dodge City, (316) 225-0596, and at the Topeka address given below.

Kansas Statutes Annotated 65-3008 provides that the BAORC shall not issue a permit without making provision for public hearing. Direct comments concerning the draft permit and any request for hearing to L. C. Hinther, BAQRC, Building 740, Forbes Field, Topeka 66620, within 30 days of the publication date of this notice. The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on April 1 and October 1 of each year, beginning on October 1, 1989.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar). The principal of the bonds will be payable at maturity or upon earlier redemption to the registered owners upon presentation and surrender of the bonds at the office of the paying agent. Interest on the bonds will be paid by check or draft mailed by the paying agent to the registered owners thereof whose names are on the registration books of the bond registrar as of the 15th day of the month preceding each interest payment date. The bonds will be registered pursuant to a plan of registration approved by the city and the Kansas Attorney General. The bonds will

be registered as either fully registered certificated bonds or uncertificated (book entry) bonds.

The city will pay the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondowners.

Redemption of Bonds Prior to Maturity

Bonds maturing in the years 1990 to 1996, inclusive, will become due without option of prior payment. At the option of the city, bonds maturing in the years 1997 to 2004, inclusive, may be called for redemption and payment prior to maturity in whole or in part in inverse order of maturity (selection of bonds within the same maturity to be by lot by the city in such equitable manner as it may determine) on April 1, 1996, or on any interest payment date thereafter at par, plus accrued interest thereon to the date of redemption.

Whenever the city is to select the bonds for the purpose of redemption, it will, in the case of bonds in denominations greater than \$5,000, if less than all of the bonds then outstanding are to be called for redemption, treat such \$5,000 of face value of each such fully registered bond as though it were a separate bond of the denomination of \$5,000.

If the city elects to call any bonds for redemption and payment prior to the maturity thereof, the city will give written notice of its intention to call and pay said bonds on a specified date, the same being described by number and maturity, said notice to be mailed by United States registered or certified mail addressed to the registered owners of said bonds, to the Kansas State Treasurer, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed not less than 30 days prior to the date fixed for redemption. If any bond be called for redemption and payment as aforesaid, all interest on such bond will cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1 percent. No specified interest rate may exceed the index of treasury bonds published by the weekly Credit Markets in New York, New York, on the Monday preceding the day on which the bonds are sold, plus 2 percent. No rate specified shall be less than that specified for any earlier maturity. No bid of less than 100 percent of the principal amount of the bonds and accrued interest will be considered. Each bid must specify the total interest cost to the city during the term of the bonds on the basis of such bid, the premium, if any, offered by the bidder and the net interest cost to the city on the basis of such bid. Each bid must also specify the average annual net interest rate on the basis of such bid.

(continued)

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost on the bonds. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the governing body of the city will determine which bid, if any, will be accepted, and its determination will be final.

Authority, Purpose and Security for the Bonds

The bonds are being issued pursuant to and in full compliance with the constitution and laws of the state of Kansas, including Article 12, Section 5(a) of the constitution of the state of Kansas, and Home Rule Ordinance No. 65146 of the city of Kansas City, Kansas, for the purpose of making a loan to Renaissance Center, Inc. (the company) to acquire, renovate, rehabilitate, construct, equip and install certain buildings located at 600, 610, 626 and 642-654 Minnesota Avenue in the city (the project) pursuant to Resolution No. 36542 of the city adopted May 7, 1987, and for the purpose of repaying loans and extinguishing existing first mortgages and outstanding obligations on certain properties located at 600 (including former 600-604), 610 (including former 610-616), 626 (including former 624-626), and 646 (including former 638-646) Minnesota Avenue in the city pursuant to Ordinance No. 65360 of the city passed October 20, 1988.

The bonds will be federally taxable general obligations of the city, payable as to both principal and interest from loan repayments from the company and, if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount on all the taxable tangible property, real and personal, within the territorial limits

of the city.

Legal Opinion and Taxability

In the opinion of Burke, Williams, Sorensen & Gaar, Overland Park, Kansas, bond counsel, the interest on the bonds is includable in gross income for federal income tax purposes.

The interest on the bonds is excludable from computation of Kansas adjusted gross income whether or not

included in federal adjusted gross income.

Delivery and Payment

The city will pay for printing the bonds and will deliver the same properly prepared, executed, and registered without cost to the successful bidder on or before April 28, 1989, at such bank or trust company as may be suggested by the successful bidder and is acceptable to the city, without cost to the successful bidder. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of the delivery of the bonds affecting their validity. Payment for the bonds must be made in Federal Reserve funds, immediately subject to use by the

The number, type and denominations of the bonds and

the names, addresses and Social Security or taxpayer identification numbers of the registered owners must be submitted in writing by the successful bidder to the city and bond registrar no more than 10 days after the sale date. In the absence of such information, the city will deliver bonds in the denominations of each maturity registered in the name of the successful bidder. The successful bidder shall make a bona fide public offering of the bonds, and, as a condition to the city's obligation to deliver the bonds, the successful bidder must furnish to the city, no more than 10 days after the sale date, a certificate acceptable to bond counsel: (i) specifying the reoffering price at which a substantial amount (at least 10 percent of the bonds of each maturity) of the bonds was sold to the public (excluding bond houses, brokers and other intermediaries), and (ii) certifying as to the accuracy of such reoffering prices.

CUSIP Numbers

CUSIP identification numbers will be printed on certificated bonds or assigned to uncertificated bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the successful bidder thereof to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the assigning and printing of CUSIP numbers on the bonds will be paid for by the city.

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$42,000, payable to the order of the city to secure the city from any loss resulting from the failure of the successful bidder to comply with the terms of the bid. No interest will be paid upon the deposit made by any bidder. Said check will be returned to the bidder if the bid is not accepted. If a bid is accepted, said check will be held by the city until the bidder has complied with all of the terms and conditions of the bid and this notice, at which time the check will be returned to the successful bidder or deducted from the purchase price at the option of the city. If a bid is accepted but the city fails to deliver the bonds to the bidder in accordance with the terms and conditions of the bid and this notice, said check will be returned to the bidder. If a bid is accepted but the bidder defaults in the performance of any of the terms and conditions of the bid and this notice, the proceeds of such check will be retained by the city as and for liquidated damages.

Bid Forms

All bids must be made on forms which may be procured from the city's finance director. No additions or alterations in such forms may be made and any erasures may cause rejection of any bid. The city reserves the right to waive irregularities and to reject any or all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the city clerk and marked "Proposal for the Purchase of Renaissance Center Bonds." Bids may be mailed or delivered in person and must be received by the city clerk prior to 10 a.m. C.S.T. on Thursday, April 6, 1989, at the city clerk's office in the Municipal Office Building, One Civic Center Plaza, Kansas City, KS 66101.
